## PROFILE

Award-winning, innovative architect with over six years experience bringing the creative visions of clients and companies to life. Proficient in project management, design software, resource management, 3D modeling, aesthetic design and incorporating sustainable design principles into all projects and designs.

## EMPLOYMENT HISTORY

### Conservation Architect at The Green Abbey, Kilkenny

December 2018 — Present

- Designed and assisted with over 55+ conservation and historical restoration projects
- Completed sustainability research for 40+ conservation projects, publishing award-winning articles focusing on how to preserve the natural integrity of historical sites
- Hosted 10 seminars in Kilkenny and Dublin on how to protect Ireland's natural and cultural environments in a conservation context
- Supervised 25+ projects and monitored the use of materials, ensuring each project was completed in accordance with local Irish law

### Landscape Architect at Fás Glas, Kilkenny

February 2015 — August 2018

- Visited 50+ locations to perform on-site evaluations and landscape assessments
- Collaborated with other architects and design specialists across County Kilkenny
- Managed 15 local projects, including the Royal Ireland Kilkenny Restoration Project, restoring over 20 historical Kilkenny sites
- Researched sustainability principles to incorporate into historical restorations, including responsible resource management and safe irrigation practices
- Assisted with landscape installations, including stormwater management systems, outdoor lighting and recreation spaces

### CAD Technician at Kilkenny & Co, Kilkenny

January 2012 — November 2014

- Designed over 200+ drawings for clients using CAD software
- Collaborated with other design professionals and clients to achieve the best aesthetic outcomes
- Drafted technical design plans and prepared design blueprints
- Ensured all designs and models were in accordance with local regulations and Irish law
- Prepared model renderings for over 80+ Kilkenny & Co design projects

## EDUCATION

### Master of Architecture, University College Cork, Cork

September 2010 — September 2011

### Bachelor of Science, University College Cork, Cork

September 2005 — September 2009

## REFEREES

### Dermott Kelly from University College Cork
